MEMORANDUM FOR: Chief, Policy and Plans Group

ATTENTION:

FROM:

Chief of Operations (PSI)

SUBJECT: Proposed Revisions of the Implementing
Procedures for Executive Order 12036

STAT

1. Subject proposal was circulated throughout the PSI Directorate. No comments were offered basically because respondees had no specific objection but also highlighted the fact that this was essentially fait accompli. We can live with this proposal in terms of our future way of doing business which we all recognize as a lessening of the restrictions which had immobilized us in the recent past.

2. The provisions governing consent to inquire and also, the collection, storage and retrieval of data will be honored in accordance with the Executive Order and Attorney General guidelines as interpreted to us.
